Share something with your class...

Hi Stage 3,

I found a cool resource for those of you who want to do some extra learning. It is the National Geographic Kids website. They have made lots of resources that are free for you to access. Click on the link below to take you to the website.

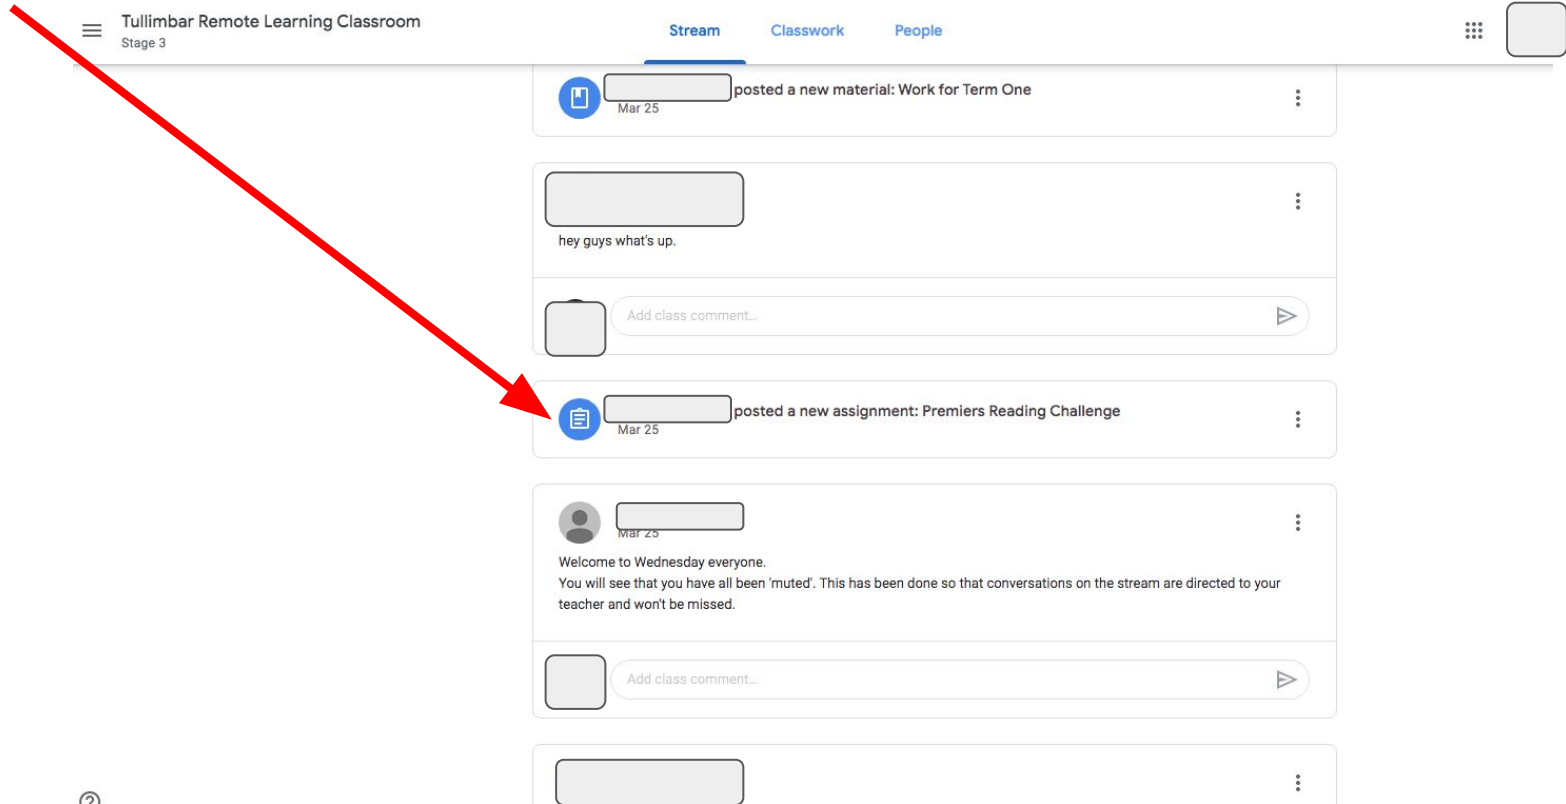

<https://www.natgeokids.com/au/teacher-category/primary-resources/>

You will need a parent with you to register for a free account then you can access everything.

There's stuff on history, science, animals, geography, English, art, maths PSHE and even the Carona virus. I've had a quick explore myself this morning. I read about Greek mythology and how fish swim.

Navigate to the assignment link

The screenshot shows a classroom interface for "Tullimbar Remote Learning Classroom Stage 3". At the top, there are navigation tabs for "Stream", "Classwork", and "People". A red arrow points from the top left towards a post in the "Stream" section. The post is titled "posted a new assignment: Premiers Reading Challenge" and is dated "Mar 25". Below this post is a welcome message: "Welcome to Wednesday everyone. You will see that you have all been 'muted'. This has been done so that conversations on the stream are directed to your teacher and won't be missed." The interface also includes a comment input field and a profile picture placeholder.

posted a new assignment: Premiers Reading Challenge
Mar 25

Welcome to Wednesday everyone.
You will see that you have all been 'muted'. This has been done so that conversations on the stream are directed to your teacher and won't be missed.

Read the instructions.

Due Aug 12

Premiers Reading Challenge

 Mar 25

I have set this up for you as an assignment so that you remember to continually log the books you are reading. Once you have finished let me know and I will send Mrs Cummins a message to let her know.
